

The Retail Gift Bag/Box from Bong –
Now an even more flexible solution!

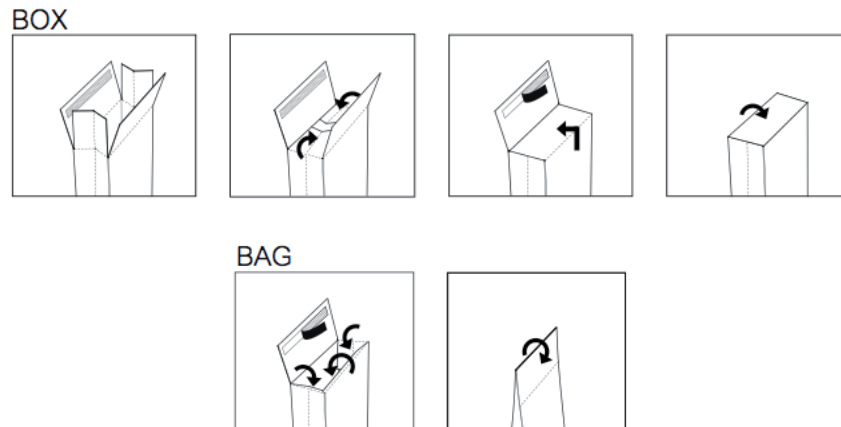

The Retail Gift Bag/Box from Bong is a unique new product solution which expands the function of the already existing Retail Gift Bag from Bong.

With this new multi-functional product you can decide yourself if you want to use it as a Gift Box or a Gift Bag! So with just one product you cover two different functions!

With some easy and quick folding the Retail Gift Bag transforms into a Gift Box – or the Gift Box can be transformed into a Retail Gift Bag. It can be whatever you, or your customer, need or want!

Patent Pending
European Patent Application
No 13 16 7678

The combined Retail Gift Bag/Box maintains all the great benefits of the Retail Gift Bag from Bong:

- **Quick, Easy and Ready to use** – an efficient product which allows you to serve more customers in a shorter amount of time, while still maintaining a high quality level
- **Space-saving** under the counter
- **Easy to handle** when replenishing
- **Outstanding sealing** (Peel&Seal)
- **Flexible** – adapts to your product
- **Short delivery-time** – with European production
- **A beautifully finished gift!**

As always the Retail Gift Bag and Box from Bong is easy to adapt to your brand – with our printing capabilities of up to ten colours (including varnish) and a selection of varnishes such as UV-varnish.
